Contains a blend of moisturizing, nourishing & anti-aging ingredients

Deeply hydrates, reduces fine lines, reduces dark circles, improves overall firmness and radiance in the eye area

# MESOTEN **eyes**

## MAIN INGREDIENTS

Hyaluronic acid, PDRN

Folic acid, biotin

Niacinamide, sh-oligopeptide-1  
sh-polypeptide complex 11,9,22

Zinc sulfate, copper sulfate

## PACKAGE

2 ml/vial

5 vials

## SH-OLIGOPEPTIDE-1

Improves the appearance of fine and deep wrinkles, evens out microrelief, reduces pore size and skin pigmentation

## BIOTIN

Retains moisture in the skin and also promotes collagen production

## NIACINAMIDE

Helps regulate sebum production and improves skin barrier function

## ZINC SULFATE

Evens out the tone and makes the relief more even

## SH-POLYPEPTIDES-11,9,22

Promotes skin regeneration, wound healing, collagen and elastin synthesis

## FOLIC ACID

Activates regeneration processes at the cellular level

## PDRN

Building material for repairing damaged DNA of aging skin cells

## HYALURONIC ACID

Allows you to bind water molecules and retain it in the skin

# MESOTEN **eyes**

## APPLICATION

**Skin layer:** Epidermal/dermal  
using papular technique (needle  
at right angle)

**Needle** 30G-32G

**Recommended:** 3 procedures  
with an interval of 1 time in 10  
days
