

# MESOTEN|D

## Comfort-Firming DMAE Solution

Lifting • Strengthening • Radiance

## Main Ingredient

**DMAE (Dimethylaminoethanol)**

## Key Benefits

### Ready-to-Use 1.5% DMAE Solution

Effectively tones and firms the skin, delivering a visible lifting effect — without pain or discomfort during procedure

### Hydration & Puffiness Reduction

Helps maintain optimal moisture balance, reduces facial swelling, and improves skin tone and clarity

### Anti-Aging & Smoothing Action

Slows down visible signs of aging and softens fine lines for a fresher, rejuvenated appearance

### Perfect Pairing with Revacoll

Acts as a painless diluent for Revacoll collagen therapy, making procedures more comfortable while adding a lifting benefit
